## 14. Daniel 2 - (16/01/19).

Dan 2:44 And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.

- The kingdoms will be destroyed. How does he know it? Because he saw it.

Dan 2:45 Forasmuch [conjunction: word that connects two passages. We could substitute with 'because' or 'in that same way'] as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure.

- Parallel verses:

Dan 2:34 Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces. Hello human

Rev 11:7 And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them.

Rev 11:8 And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified. Yeah

Dan 2:35 Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshingfloors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.

- The head was still alive. It is broken at the end of the world when the feet are broken.

Dan 7:12 As concerning the rest of the beasts, they had their dominion taken away: yet their lives were prolonged for a season and time. [the golden head has no power but is still alive and in Dn 2 the head has not been destroyed till the end of the world]

- The stone breaks the head, it's not like it falls and breaks, the stone smashes everything.
- So 'the kings' are the 4 kingdoms, not the '10 kingdoms'
- We are critical with the Millerites for changing 'the king' to 'a king' but we do the same in

Dn 2.

- 'these kings' : check it, it could be 'the boys' or 'those boy'
- Rev 17: the 10 heads are sequential but also one king. And one woman as riding many beasts. The papacy didn't ride Babylon.
- Read book 'two Babylons' to explain what it means that the head is still alive (the papacy is the modern version of Babylon).
- Me: look at the kingdoms and see if all of them could have been alive at the same time?
- How do we make it the 10 kings? Because in Revelation 17 the 10 kings are one of the heads of the single beast.

France rises to power [I didn't get this point, but it seemed strong..]

Rev 11:7 And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them.

Rev 11:8 And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified.

- France delivers the deadly wound. Can you see the rise of France in Daniel? That's what the Millerites are looking for. If you can see 'the kings' of Daniel 2, you can see 'a king' in Dn 11:36.
